

Hampton Roads Ship Model Society

No. 4

NEWSLETTER

August 1986

The July meeting of the HRSMS was held at the home of Purser Bill Fox on the 8th and was attended by 12 members and guests. The meeting was called to order at 2007 by First Mate John Cheevers. Under old business, it was reported that the club had joined the NRG. After discussion, it was decided that the club will not participate in Hampton Bay Days in September since fees are involved and parking is limited. It was announced that Kent Wade and Tom Abbott are holding demonstrations at the Waterman's Museum at Yorktown on Sundays and have been the subject of stories in the local press. There was no new business for discussion, so the floor was turned over to guest Alan Frazer of New York. Alan presented an interesting illustrated talk on the subject of photo etching of model parts, using his work on side-wheel steamer SEA BIRD as an example. The program was well received and generated considerable discussion.

The August meeting of the HRSMS will be held at the home of Paul Brindza, 107 Bryon Road, Yorktown (898-7756) at 2000 on Friday, August 8. Members are requested to bring designs and suggestions for new club stationery for discussion at the meeting. To get to Paul's house in the Edgehill section of York County, turn left off of Rt. 17 North onto York-Warwick Drive, about three miles south of Yorktown. Take the 5th left onto Cockletown Rd., then the 3rd left onto Dominion Rd. Take the second left off Dominion onto Byron Road. Paul is our newest member and all are urged to attend this meeting.

Skipper: Bill Clarke 868-6809
First Mate: John Cheevers 875-0732
Purser: Bill Fox 253-0310
