March 1991

The February meeting of the society was hosted by Mary and Bill Fox on Friday the 8th. Twelve members and guests Scott Newell and Brent Tharpe attended.

Under old business, David Tagg reported that the model making workshop at the LSMVA was a complete success; many thanks to Gene Berger for organizing our participation in the event. The skipper collected reservations for the March banquet meeting as well as ballots for the selection of the 1990 Founder's Award winner. The winner will be announced at the banquet. Bill Clarke discussed plans for the upcoming NRG conference to include the status of speakers and assignment of tasks to society members.

Under new business, Alan Frazer distributed a handout on modeling with styrene, Bill Clarke provided a list of plans, drawings and prints available from the Calvert Maritime Museum, and Alan Frazer announced that Dana Wegner, Rob Napier and John Tilley will act as judges for the MM model competition. Finally, Paris Aiken was unanimously elected to honorary membership in the society.

The March banquet meeting will be held at the James River Country Club on Saturday the 9th at 1830 hours. See last month's newsletter for details.
