NEWSLETTER

May 1987

The April meeting of the HRSMS was held at the home of John Cheevers on the 10th, with 12 members in attendance. Under old business, the matter of club members manning the Mariners' Museum model shop was again discussed. Skipper Bill Clarke was requested to contact Museum staff verbally to make arrangements, in lieu of writing a formal letter. There seems to be a good deal of interest among the membership in manning the shop for about six weeks on weekends.

Paris Aiken brought VPA hull number five, the schooner VIRGINIA, and its drawings for viewing and discussion.

Members are reminded that 1987 dues were payable in April. If you have not yet done so, please arrange to make payment at the May meeting, or otherwise mail to the purser.

The May meeting of the HRSMS will be held at the home of Skipper Bill Clarke, 196 Odd Road, Poquoson (368-6809) at 2000 hours on Friday May 22, not on May 15 as originally scheduled. Les McLeod is expected to attend again this year, and the strawberries promise to be ripe and sweet. Plan to attend, and bring something for show and tell.

Skipper: Bill Clarke 868-6809
First Mate: John Cheevers 875-0732
